ABOUT ME:

I like to create and coding for me not only the work but also the art. Learning is non-stop process, so I am always open to new experience, knowledge and challenges. I work well in a team and know how to build comfortable communication with all kind of people. In my free time, I have extensive experience of volunteering in environmental initiatives (took part in the ringing of more than 3000 birds), do fitness and play board games.

EXPERIENCE:

Praca.by (html-developer) - html emails development.

Science Soft (Magento 2 developer, trainee) - study Magento 2 and Magento PWA Studio., did sites audit and developed html-emails.

Adobe Certified Professional
ADOBE COMMERCE
FRONT-END DEVELOPER
